Conference Tracks/Subject-Areas

Track 1: Optical Communication and Networking
Track 2: Programmable Photonics
Track 3: Optical Sensors
Track 4: Quantum Photonics and Nano Photonics
Track 5: Terahertz Photonics
Track 6: Photonics for Renewable Energy
Track 7: Photonic Crystals and Plasmonics
Track 8: Optoelectronic Devices and Circuits
Track 9: AI/ML for Photonics

For International payments, the bank details are given on the page:
https://wrap2023.iiita.ac.in/register.html

Publication

1. All the accepted and presented papers will be published in the IEEE Xplore conference proceeding.
2. Extended version of the selected papers will be published in International Journal for Light and Electron Optics, Optik (I.F. 2.84)

Accommodation Details

Accommodation for the delegates will be offered in the Visitor Hostels (Guest House) of IIIT-Allahabad Jhalwa Campus, on payment basis. However, for participants and all others, hotel list with discounted prices will be updated on the WRAP-2023 website.

Tourists Attraction

Khusro Bagh

Khusro Bagh is a large walled garden and burial complex located in muhalla Khuldabad, close to the Allahabad Junction railway station, in Prayagraj, India.

It is roughly 6 km from the Akbar fort built-in (1556-1605). It is situated over forty acres and shaped like a quadrangle.

About IIIT-Allahabad

The Indian Institute of Information Technology Allahabad (IIIT-A) was established in 1999, as a center of excellence in Information Technology (IT) and allied areas. The institute was conferred the "Deemed University" status by the Government of India in the year 2000. It was declared as an "Institute of National Importance" by the Act of the Parliament, Govt. of India in 2014. With an enduring dedication to the pursuit of excellence, IIIT-A offers unparalleled students experiences across a broad spectrum of academic environment. The range of research activities at IIIT-A is broad and deep. IIIT-A scholars conduct research in variety of fields and seek to expand human knowledge through innovation and insight.

How To Reach

- Allahabad Airport is connected to major cities. Plan a flight trip from your nearest city to Allahabad Airport (IXD). After reaching Allahabad Airport book a Cab/Taxi/Auto to reach IIIT - Allahabad, Jhalwa, Allahabad. You can book cab online through Ola.
- You can also plan a flight trip to Vanarasi Airport (VNS). After reaching Varanasi Airport book a Cab/Taxi to reach Varanasi Cantt. In Varanasi Cantt. you can either opt for train or bus to reach Allahabad. After reaching Allahabad book a cab/taxi/auto/OLA to reach IIIT - Allahabad.
- Trains are readily available from Delhi to Allahabad Junction (Average travel time is 7 Hrs). After reaching Allahabad Junction, book a Auto/Cab/OLA to reach IIIT-Allahabad, Jhalwa which is just 7-8 KMs from there.

About WRAP-2023

WRAP is a biennial event organized by the IEEE Photonics Society in India. The primary aim of WRAP is to provide a platform that brings together global experts and researchers to disseminate and highlight novel contributions and challenges in the field of Photonics. The first edition of WRAP was organized at IIT Delhi in 2013. This is the Sixth edition of WRAP, which will be held at IIIT Allahabad, Prayagraj, India.
Chandrashekhar Azad Park

Chandrashekhar Azad Park is a public park in Prayagraj, Uttar Pradesh, India. Built in 1870 to mark Prince Alfred's visit to the city, with an area of 133 acres, it is the biggest park in Prayagraj.

Allahabad Museum

The Allahabad Museum is a national-level museum in Prayagraj. It is known for its rich collection and unique objects of art. It is a premier research centre for archaeologists, historians and academicians.

Chitrakoot

Chitrakoot is a pilgrimage centre in the Satna district in the state of Madhya Pradesh. Connected to the Indian epic Ramayana, it is a place of religious, cultural, historical and rchaeologica importance, situated in the Baghelkhand region.

Varanasi

Varanasi is a metropolis city on the Ganges river in the Bhojpur-Purvanchal region of Uttar Pradesh, India. The city is known worldwide for its many ghats, steps leading down the steep river bank to the water, where pilgrims perform rituals. The city has long been an educational and musical centre.

Ayodhya

Ayodhya is a city situated on the banks of the Saryu River in Uttar Pradesh. The legendary city Ayodhya is the birthplace of the Hindu deity Rama and setting of the great epic Ramayana. The early Jain and Buddhist canonical texts mention that the religious leaders Mahavira and Gautama Buddha visited and lived in the city.
